New Online Licensing System (eLICENSING) Coming Soon

Texas Department *of* Motor Vehicles
HELPING TEXANS GO. HELPING TEXAS GROW.

This message contains information applicable to all motor vehicle licensees and salvage dealers regulated by Texas Department of Motor Vehicles (TxDMV). Please review and distribute as appropriate.

Coming soon, you will be able to apply for, renew, or amend licenses online. The Texas Department of Motor Vehicles (TxDMV) is replacing its current paper-based licensing system with eLICENSING, an online self-service hub for all motor vehicle and salvage licensees operating in Texas.

eLICENSING will provide many user benefits, including 24-hour access to licensing information, the elimination of paper processing, the ability to submit license applications and payments online, a guided application process facilitating faster approvals, and the ability to track the progress of submitted applications.

TxDMV will provide instructions and other support resources to help you access and use the system as the release date approaches. **Licensees must have an email address on file with TxDMV to receive important updates and use the new system.** Licensees can receive more information by emailing TxDMV at MVDLicensing@TxDMV.gov, calling 1-888-DMV-GOTX (368-4689), or visiting our website at www.TxDMV.gov/dealers.

Sincerely,

Daniel Avitia
