TxDMV Board Chairman issues statement on loss of board member

TxDMV Board Chairman Victor Vandergriff issued the following statement on the unexpected death of TxDMV Board Member Ramsay Gillman:

"Ramsay Gillman was a Texas giant. He was a successful businessman, philanthropist, community leader, and devoted family man with an infectious sense of humor. He was a pivotal member of the TxDMV Board and worked hard to guarantee the success of this new state agency. The TxDMV Board, and the agency's executive staff and employees mourn his passing. Our thoughts and prayers are with the Gillman family."
