For Export-Only Sales Record

Instructions

An export-only sale is the sale of a salvage or nonrepairable motor vehicle by a licensed salvage vehicle dealer or governmental entity to a person who resides in a jurisdiction outside of the United States. An export-only salvage or nonrepairable vehicle must be reported within 30 days of the date of sale to the Texas Department of Motor Vehicles on this form.

Submit this completed form to:

Texas Department of Motor Vehicles
Vehicle Titles and Registration Division
Attn: Vehicle Data Management
Austin, Texas 78779-0001

Requirement for Export-Only Sales

1. Only a licensed salvage vehicle dealer or governmental entity may sell a salvage or nonrepairable motor vehicle to a person who does not reside in the United States.
2. A Salvage or Nonrepairable Vehicle Title must be issued for the vehicle prior to sale and delivery to a non-United States resident.
3. The salvage vehicle dealer or governmental entity must:
   a. obtain a legible copy of the purchaser's photo identification (ID) issued by the jurisdiction in which the purchaser resides. The photo ID may consist of:
      - a passport,
      - a driver's license,
      - consular identity document,
      - national identification certificate or identity document, or
      - other identification issued by the jurisdiction in which the purchaser resides that is able to be verified by law enforcement and includes the name of the issuing jurisdiction, the purchaser's full name, foreign address, date of birth, photograph, and signature.
   b. obtain a *Purchaser's Certification of Export-Only Sale* (Form VTR-901), certifying the purchaser:
      - will remove the vehicle from the United States,
      - will not return the vehicle to any state of the United States as a motor vehicle titled or registered under its manufacturer's vehicle identification number, and
      - will not operate the vehicle on a public highway in the United States.
   c. stamp the Salvage or Nonrepairable Vehicle Title (once on the front and each unused reassignment space on the back of the title) with a stamp that includes the words "FOR EXPORT ONLY" and the salvage vehicle dealer's license number or the governmental entity's name.
   d. report to the department every Texas-titled salvage or nonrepairable motor vehicle sold for export only within 30 days of the date of sale.

Note: When completing the "State of Title Issuance" block, provide the type of ownership evidence provided to the purchaser as follows:

- Out of state title – provide the 2-letter abbreviation for the state that issued the title
- Regular Texas title – indicate "TX"
- Texas Salvage Certificate of Title, Texas Salvage Vehicle Title or Texas Salvage Certificate – indicate "TX - S"
- Texas Nonrepairable Certificate of Title or Texas Nonrepairable Vehicle Title – indicate "TX – NR"

Note: A copy of this form (Form VTR-902) may be used to maintain a listing of all motor vehicles sold for export only.

Record of Export-Only Sales

The seller must maintain records of each export-only sale on their business premises for three years from the date of sale and must make those records available for inspection upon request. The records must include a listing of each nonrepairable or salvage motor vehicle sold for export only and the following items for each sale:

1. A legible copy of the stamped and properly assigned Nonrepairable or Salvage Vehicle Title (front and back).
2. The completed *Purchaser's Certification of Export-Only Sale* (Form VTR-901) that includes the purchasers certified statement.
3. A legible copy of the purchaser's photo ID.
4. A legible copy of any other documents related to the sale of the motor vehicle.
