Instructions

Submit the completed application, payment in the form of a personal check, money order or cashier's check, and any required attachments to your local County Tax Assessor-Collector's office. **Do not mail cash**. There is no specialty plate fee, however, the annual registration fee must be paid. This plate may be personalized for an additional fee, make selection on page 2.

NOTE: When the specialty plates are issued, additional fees may be collected to establish a single expiration date for both the specialty plate and the vehicle registration.

Use of 'Old' License Plates: If you own license plates that are the same year as the classic vehicle, you have the option of using old plates instead of new Classic specialty plates, if the plates pass examination. The old license plates must be examined at your local County Tax Assessor-Collector's office or a TxDMV Regional Service Center before submitting this application. The old license plates must be original plates in good, readable condition and have the same color scheme as the original Texas license plates.

If you place your order online or by mail, please contact your County Tax Assessor-Collector's office in two weeks to verify your plates are ready for issuance. Specialty plate fees will not be refunded once application is submitted. Contact your County Tax Assessor-Collector if you have any questions.
